Fast HDMI™ Switching with Multiple Control Options

Lexington, KY – August 10, 2007 – Audio Authority's two position and four position HDMI switchers have been highly optimized for transitions in as little as two seconds. The switchers' ability to discretely select input positions, in addition to their multiple control options, make them ideal for integration into a whole house audio/video system as well as many other tasks in residential and commercial applications.

Model #	Description	MSRP (USD)
1372	2x1 HDMI Switcher	\$209.00
1374	4x1 HDMI Switcher	\$249.00

Control Options:

- Front panel selector button
- Included IR remote control via the built-in IR sensor
- IR input jack for an external IR receiver
- RS-232 port which can communicate with a remote control system
