

1729 Soundbar Demonstrator

Compare 4K TV Sound to Soundbars

Demo System Features

- Switched optical connections to soundbars
- Switch to TV sound with one button
- Requires only one HDMI® source output
- Resolutions up to 4K, with 3D and deep color
- Timeout limits sound level in store environment

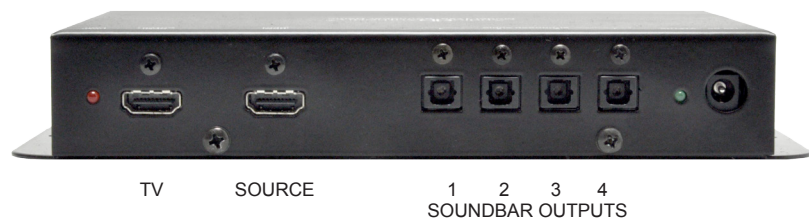

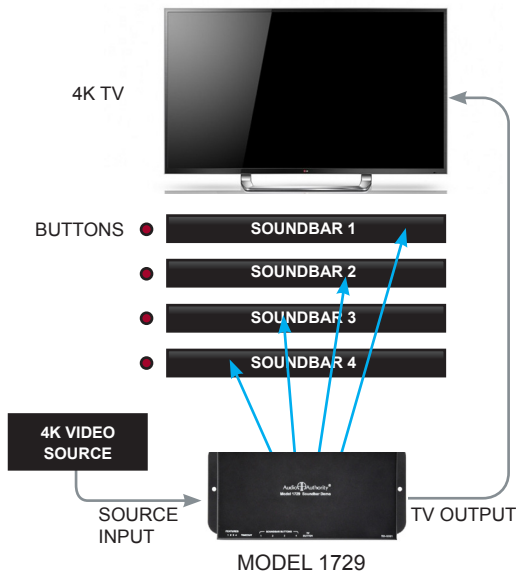

Visually Appealing Soundbar Demo

Use the most impressive 4K TV and source material to demo soundbars with the Audio Authority® 1729 demonstrator. You won't have to sacrifice important video features – 4K @ 30 Hz, 3D, and deep color. Each 1729 can demonstrate up to four soundbars and one TV. The 1729 has a special keep-awake feature that ensures all soundbars are ready for a demo at any time, and never in sleep mode.

1729 Example System:

Compare Four Soundbars to TV Sound

Compare 4 soundbars using a 4K video source. Customers simply press the button next to each soundbar or the TV sound button to audition soundbars.
