

User Manual

Model 974

Audio Authority®

Model 974 Control Interface

The Model 974 allows the 903i Comparator to control product selection on Audio Authority® Access™ Demonstration Systems. The Model 903i Comparator is a 10 inch capacitive touchscreen that connects to any Access switching system.

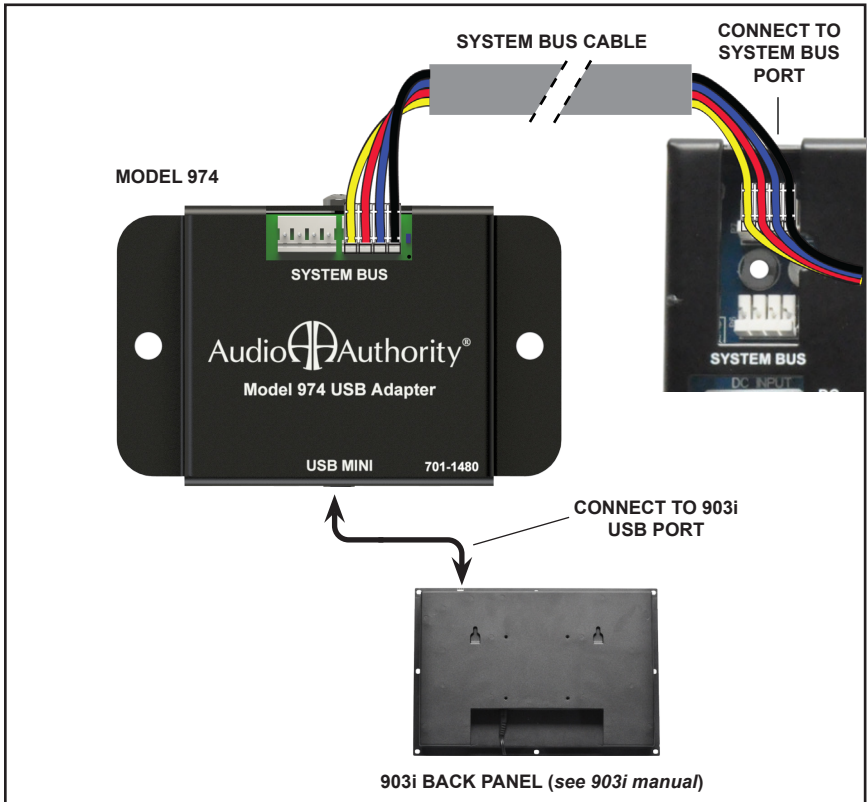

Package Contents

Before installing this product, please check the packaging to make certain the following items are contained in the shipping carton:

- 974 Adapter
- User Manual

Installation

1. Connect the 4-pin System Bus header on the 974 to the Access system bus at any vacant connector. The system bus wiring is color coded as yellow, red, blue, black (see *connection diagram below*).
2. Connect the USB mini to the 903i USB port (see connection diagram below). Securely mount the Model 974. Connect Power and bottom cover.

974 connection diagram.
